PUBLIC NOTICE**

Topic: Proposed Oakridge Construction, Demolition and Land-Clearing Debris (C&D) Landfill

Location: Located at 2183 US Hwy 78 in Dorchester County, SC.

The South Carolina Department of Health and Environmental Control (SCDHEC) - Solid Waste Permitting Section has received a permit application from the Waste Management of South Carolina, Inc. for a new Construction, Demolition and Land-Clearing Debris (C&D) Landfill. The proposed facility has 59 years of disposal capacity at its currently permitted disposal rate of 123,500 tons per year.

SCDHEC requires that a permit be issued for C&D landfills pursuant to SC Code Ann. Sections 44-96-10 et. seq. (Supp. 2007) and 25A SC Code Reg. 61-107.11: Construction, Demolition and Land-Clearing Debris Landfills (Supp. 2007). The types of waste that can be accepted by the Oakridge C&D landfill are limited to Appendix I of the above-mentioned regulation. Acceptable wastes include, but are not limited to, land-clearing debris, bricks, blocks, shingles, lumber, and other wastes listed in Appendix I that have not been in contact with lead-based paint, hazardous constituents, or petroleum products. Wastes that are not acceptable at C&D landfills include household garbage, hazardous waste, and infectious waste. For a more detailed description of Appendix-I-acceptable wastes, please contact one of the persons below to view the application, or to receive a C&D fact sheet. A copy of Regulation 61-107.11: Construction, Demolition and Land-Clearing Debris Landfills may also be viewed at the following website: <http://www.scdhec.gov/environment/lwm/regulatory.htm>

At this time, the Solid Waste Permitting Section has completed an administrative review of the permit application and found that all required documents are in place to begin a technical review.

Who to contact? Copies of the permit application are available by appointment for public viewing during the hours of 9:00 AM to 5:00 PM, Monday through Friday, at the following locations:
